Charms

Please make sure that your contact information is correct in Charms. This is our way of communicating information to all parents in the program. Every student has an account that was set up at the beginning of the school year.

Here's how to access Charms:

- The school code is "mtnviewband". Please make sure that this is spelled correctly - this is the most common problem with access issues.
- If your student is new to the program, their passcode is their student ID number. Once entered, you will be prompted to change the passcode and access the account.

If you have an issues, please email Mr. Pendergrass:

dixon.pendergrass@gcpsk12.org
